Rear Admiral
Ronald D.
Tucker

The Challenges and Opportunities of Military Service

Rear Admiral Ron Tucker had a distinguished career as a Navy officer, and then as a mover and shaker for the Bechtel Corporation. After retiring from these important positions, he lived up to the MOAA motto of “Never Stop Serving,” and made a big impact in his community. He will discuss his various “careers,” and then outline for the Chapter scholarship winners what it takes to serve their country and their community.

Admiral Tucker was born in Santa Monica, California. He graduated from Cal State Northridge in 1963 and was commissioned upon graduation through ROTC.

During his Navy career, he commanded the Guided Mis-

sile Destroyer, USS Cochrane, the U.S. Naval Station in Pearl Harbor, Hawaii, the Battleship USS New Jersey, and Task Force 73 and Logistics Group, U.S. Seventh Fleet in Singapore.

Ashore he had important and demanding assignments on the Navy staff in the Pentagon. He is a distinguished graduate of the U.S. Naval War College.

Following his Navy career, Admiral Tucker joined the Bechtel Corporation. He served Bechtel as Vice President for Asia Pacific Region Management in Hong Kong, General Manager of Bechtel's Phoenix Service Center, and Bechtel's Country Manager in Japan.

Admiral Tucker retired in October 2003, to Anthem, AZ where he has been very active in community, veteran, and charitable endeavors.

In 2009 he led a project that built an award-winning veterans memorial in Anthem. The memorial's five white pillars represent the nation's military branches, and each pillar has an elliptical opening that slants downward toward the Great Seal of the United States. On Veterans Day – 11 November – the design allows the sun's rays to spotlight the Great Seal at 11:11 am Mountain Standard Time. In 2012 Admiral Tucker was inducted into the Arizona Veteran's Hall of Fame.

LEGISLATION UPDATE:

DFAS MESSAGE TO SURVIVING SPOUSES (March 2024):

The DFAS accidentally sent a small group of Survivor Benefit Plan (SBP) annuitants a letter requesting they send another SBP Marital Status Update (SBP-MSU) because of a missing Social Security Number.

This was a computer error. DFAS assured all recipients that the letter was sent in error, due to a system issue.

DFAS apologizes for the inconvenience. If you receive such a letter, DFAS requests

that you discard the letter with their apologies. There is no action you need to take other than to discard the letter.

Legislation affecting our SS's on the table for 2025: (MOAA's website).

Dependency and Indemnity Compensation (DIC): DIC is paid at a monthly rate of \$1,562.74, with additional allowances in certain circumstances. That works out to 43% of what a veteran with a 100% service - connected disability rating receives from the VA. The 2025 congress's discussion to better support sur-

viving spouses, the Caring for Survivors Act (H.R. 1083/S. 414) would align payments of DIC with other federal programs.

Surviving Spouse Remarriage: Surviving military spouses who remarry prior to age 55 currently lose entitlement for DIC and Survivor Benefit Plan (SBP) payments, as well as access to educational assistance like the Fry Scholarship and the Survivors' and Dependents' Educational Assistance program. The Love Lives On Act (H.R. 3651/S. 1266)

will help secure the right for surviving military spouses to remarry at any age and retain their benefits.

OUTREACH

Linda Wolverton, SS, and Rosemary Eaton, SS (on the front row left) attended the March 21, Sierra Vista Coronado Chapter of MOAA member meetings. Jane Strain, SS Liaison for the Coronado chapter SS's worked with us as we presented how Luke Chapter SS Program evolved and maintains its program.

A power point presentation was shown along with handouts. Q&A followed the presentation. The next morning, Linda and Rosemary met with the

leadership of the chapter: LTC Edward A Wozniak, LTC Jim Clenny, as well as Coronado's PR Kaylee Nix-Wozniak, and Jane Strain the Chapter's SS Liaison and their respective spouses for breakfast. Questions from the previous night's presentation were answered. A copy of the Luke Chapter SS Program developed "Care for the Caregiver" booklet was shared with them.

Jane Strain, SS Liaison of Sierra Vista Coronado MOAA will be our guest at the 3 Oc-

tober Luke Chapter SS luncheon meeting. She wants to meet our members and chat with them. We are excited to have her.

Chaplain's Corner

by Rev. Fannalou Guggisberg

Since our May dinner recognizes our scholarship recipients, this article offers a smattering of

sayings on the subject of knowledge.

For instance, the saying, “A little knowledge is a dangerous thing.” Doesn’t warn that knowledge is dangerous. The peril lies in the paucity of it.

Benjamin Franklin is credited with “An investment in knowledge pays the best dividend.”

Proverbs contains Solomon’s collection of sayings, a number of which affirm the worth and place of knowledge, such as

“The fear of the Lord is the beginning of knowledge; Fools despise wisdom and instruction.” (Prov. 1:7)

“For the Lord gives wisdom; From his mouth come knowledge and understanding. He stores up sound wisdom for the upright; He is a shield to those who walk in integrity.” (2:6-7)

Give instruction to a wise man, and he will be still wiser. Teach a righteous man, and he will increase his learning. The fear of the Lord is the beginning of wisdom, And the knowledge of the Holy One is understanding.” (9:9-10)

“Apply your heart to discipline, And your ears to words of knowledge.” (23:12)

“By wisdom a house is built, And by understanding it is established; And by knowledge the rooms are filled With all precious and pleasant riches.” (24:3-4)

“Trust in the Lord with all your heart, And do not lean on your own understanding.

In all your ways acknowledge Him, And He will make your paths straight.) (3:5-6; NASB)

Great words to live by!

Luke Chapter Community Fund Wins a Large Grant *by Mike Kramer*

There is an old saying that you ‘won’t get, unless you ask.’

Luke Chapter paid out about \$26,000 this year in grants to fourteen individual needy veterans and to scores of active-duty airmen in the Turkeys for Troops program for food relief last November. This amount is about \$10,000 less than in the prior fiscal year, due to reduced donations for our program. So, we decided to do something about raising our funding to keep service to destitute veterans threatened with homelessness at a higher pace.

Luke Chapter Community Fund submitted a grant application to the Arizona Department of Veterans Services for a grant of \$25,000 in December under their so-called “Large Grant Program”. The state took some time to evaluate the many grant applications that were made. A few weeks ago, we were notified that our application was approved! More delay followed for more paperwork. We now expect to receive the first payment of \$12,500 shortly.

Our plan is to use some of the money in this fiscal year ending June 30, and we will hold the balance until next fall. We will accept veterans’ grant applications for the balance of this spring until the first installment of the grant is exhausted, or summer comes, whichever is first. Many of our chapter members, of course, travel in the summer or go to cooler climes. Our veterans’ relief grant program, like other activities, will be suspended over the summer.

When the chapter members return in September to the West Valley, we will notify the VA and other referral agencies that applications will again be accepted. The work will then continue using the second installment of \$12,500. All funds must be spent no later than December 31, or the balance paid back to Arizona. A grant of \$5,000 from the MOAA Community Foundation to help veterans is also anticipated in May for use next fall. So, our program will hit the ground running when cooler weather

returns, if sufficient volunteer labor is offered by our members.

Grant money, together with donations from our members, keep needy veterans and their families in a home, with food and utilities. Our members look after our brothers and sisters in arms.

Legislative Liaison Update

by Gene Winkle,
Legislative (Acting)

Message from MOAA President and CEO Lt. Gen. Brian T. Kelly, USAF (Ret)

Our Government Relations team works year-round to protect your pay and benefits, to foster positive relations on both sides of the aisle, and to spotlight important policy and legislative change vital to MOAA's mission.

But what's more vital to our lawmakers' mission is to hear *directly* from their constituents. They want to know what mat-

ters most to the people who live in their districts — the people who vote.

That's what makes our [Advocacy in Action](#) (AiA) campaign week so important.

MOAA Board Chair Gen. Gary L North & Pres/CEO Lt Gen Brian T Kelly take part in AiA 2023

MOAA's annual advocacy event will bring members from across the nation to Washington, D.C., on 17 April to address critical topics on MOAA's legislative agenda.

Bookmark online this site (MOAA.org/AiA) for updates on these issues, details on the event for attendees and virtual participants, our annual MOAA awardees, and much more. And be ready to take part by registering today to use [MOAA's Legislative Action Center](#), an easy way for all members and supporters to connect with their lawmakers.

Continue to follow online, [MOAA's Advocacy News page](#) for ongoing updates regarding all of MOAA's legislative priorities.

On April 17, nearly 200 dedicated members and MOAA

staff will canvas the halls of Congress, visiting every member's office equipped with critical data, calls to action, and support for our uniformed services community.

Our AiA topics are carefully selected each year and approved by our board of directors. We want topics true to our mission, representative of our membership, and critical to this year's legislative cycle. This year's topics are:

- [The Major Richard Star Act](#), a bill supporting our combat-injured veterans that would end an unjust offset for those who lose a dollar of service-earned retirement pay for every dollar of VA disability compensation.
- [The BAH Restoration Act](#), a bill that reverses DoD policy capping the Basic Allowance for Housing (BAH) at 95% of local rental and utilities costs — a policy that's placing a financial burden on service members and families.
- [Protecting TRICARE For Life \(TFL\)](#), which remains a key issue for all MOAA members — those already covered by TFL and Medicare, along with those who'll use the benefit when they turn 65.

AiA is not a culmination of hard work but rather a key milestone on a continuing mission. And while we have an out-

standing team at the headquarters, AiA brings some of MOAA's best from the field to Capitol Hill to demonstrate the effectiveness of our association.

To join in the AiA campaign, you can:

- Visit online the [Legislative Action Center](#) to send pre-formatted messages to your legislators on the issues.
- Call your lawmakers via MOAA's toll-free Capitol Hill hotline at (866) 272-MOAA (6622).
- Set up an in-person meeting with your lawmakers' staffs at their local offices. This tried-and-true approach yields huge dividends.

We need your help. Your work at home not only influences Capitol Hill, but it inspires us to keep going. Thank you for your ongoing commitment to our advocacy efforts on behalf of all who serve and have served, their families, and their survivors.

Board Briefs *by Mike Kramer, Secretary and Compliance Director*

Luke Chapter/Community Fund -- April 2024 Board Meetings

- The current financial assets of Luke Chapter on 31 March are \$36,819, of which \$17,002 is unrestricted

equity. Assets of Community Fund stand at \$77,607, an increase of \$14,290 from February from our spring fund-raising campaign. Jack Coate, Treasurer, said we are holding close to budget.

- An unsuccessful effort was made by a scammer to transfer a large amount of funds from Luke Chapter's checking account. Jack Coate worked swiftly with Chase Bank to stop the fraud before funds were lost. Our chapter money remains safe and intact.
- The Board of Luke Chapter appointed the directors for the Community Fund, its subsidiary charitable organization, as provided in the Bylaws. Ed McAvoy continues as President, supported by ten other directors and officers.
- A slate of nominations of primary officers and directors will be offered to the chapter for election at the Annual Meeting of Members on 9 May.
- Ben Hayes reported that Luke Chapter has 168 active Members on our roster, including 131 Regular Members and 33 Surviving Spouses, with 4 Honorary Members. The active member number fell from

192 from two years ago, as offset by new members.

- Ed McAvoy said that a silent auction of donated items will be held at the April Annual Members Meeting and dinner. Also, Community Fund directors are contacting business leaders identified by our members as potential donors.
- Linda Wolverton reported that the Surviving Spouses thoroughly enjoyed their visit on 3 April to Scottsdale Airport and Air Museum, formerly a WWII Army Air Force training base.
- Luke Chapter Community Fund submitted its 2024 Annual Report to the Arizona Corporation Commission and is 'in good standing' with the state.
- The Veterans Relief Grant Program has made 14 emergency grants so far to individual veterans which total about \$23,700.
- Luke Chapter submitted a grant application to MOAA for FY 2024-25 for \$5,000. Community Fund was awarded a grant of \$25,000 by the AZ Dept of Veterans' Services. One-half of that grant will be paid in April and the balance in late summer.

- Don Fordney received 24 scholarship grant applications from college bound students. Scholarship awards ranging from \$1,000 to \$3,000 were made to 23 grateful students.

- Bill and Sue McCamley are awarding certificates of merit to 16 West Valley JROTC high school classes in the West Valley. The certificates will be presented at various dates

in late spring by different chapter members.

Memorial Day Memories by Gene Wikle

Memorial Day is a day for me to reflect on those I served with in Afghanistan. During my five years of service in Afghanistan, there were five American men and women patriots I had the privilege of serving with who made the ultimate sacrifice. Below is the story of three patriots that I served with. This is their story.

Sgt. 1st Class Glen J. Whetten, 31, of Mesa, Ariz., died March 12, 2010 near Kandahar, Afghanistan, of wounds suffered when enemy forces attacked his vehicle with an IED. He was assigned to the 1st Brigade, 1st Infantry Division, Fort Riley, Kansas.

SFC Glen Jacob Whetten was born March 19, 1978 in Nuevo Casas Grandes, Chihuahua, Mexico, and was raised in Phoenix, Arizona, attending Roosevelt Elementary School and graduating from South Mountain High School. He proudly enlisted in the U.S. Army following his graduation. His service included being among the first to enter Iraq with U.S. forces. He was an Airborne Ranger and served four and a half years as a Ranger Instructor. Jake was intensely patriotic and was always determined to protect his fellow soldiers and defend American liberty.

Gene Wikle renders a final salute at a memorial service for Sergeant First Class Glen J. Whetten on Friday, March 19, 2010 at Camp Blackhorse, east of Kabul, Afghanistan.

The memorial was held after his body was transported to Dover Air Force Base, Delaware and onward to Phoenix for his burial. Jacob was buried with full military honors. My wife, Susan, attended his funeral. Susan and Amy Whetten, Jacob's mother, are close friends. Jacob was Amy's adopted son.

**Memorial Service
Camp Eggers, Kabul**

On the morning of May 20, 2009, I sat across the table at the Camp Eggers Dining facility with Lieutenant Roslyn Shulte and Shawn Pine. It was 7:30 am as we enjoyed breakfast and discussed their mission to perform at Bagram Air Base. They were part of my team that I served with in Afghanistan. After breakfast Roslyn and Shawn departed Kabul in an SUV for a 45-mile drive to Bagram Air Base. Shortly after 9:00 am they were both dead. They were both killed instantly by an IED. Roslyn was 25 years old. She was the first female Air Force Academy graduate killed in combat. Shawn was 52 years old and survived by his wife and three children.

“Whether we observe the occasion through public ceremony or through private prayer, Memorial Day leaves few hearts unmoved. Each of the patriots whom we remember on this day was first a beloved son or daughter, a brother or sister, or a spouse, friend, and neighbor.”
