Notes: A NewsGram article in 2001 says: “In the seven years since program inception, Luke Chapter TROA has awarded over \$15,000 in scholarship money to deserving students for a total of twenty-six scholarships.” This implies the program began in 1994. We can add \$10,000 to the list above, and with 21 more scholarships awarded, makes a total of 250 scholarships awarded as of 2022. Numbers by years before 2001 are not available.
